DONALD E. W. NIEMANN

Headmaster

Known to all of us as Mr. Niemann — a friend as well as Headmaster, a great soccer coach, and English teacher. Born in New York City, he returns to his beloved home almost every summer. His wife, Cornelia, is also a New Yorker.

His early education was at St. Bernard's School, in New York City, and at the Hotchkiss School in Lakeville, Connecticut. After three years of service in Europe with the 78th (Lightning) Division, he entered Princeton University and graduated *cum laude* in 1950 with an A.B. in English. In the fall of 1950 he accepted an appointment at Palm Beach Private as a teacher of English and Latin.

Mr. Niemann was appointed Athletic Director in February of 1952, and was Acting Headmaster in May of 1952. He became Headmaster in May 1953. He has spent two summers studying at Columbia University, one at Teachers College and the other in the Department of English.

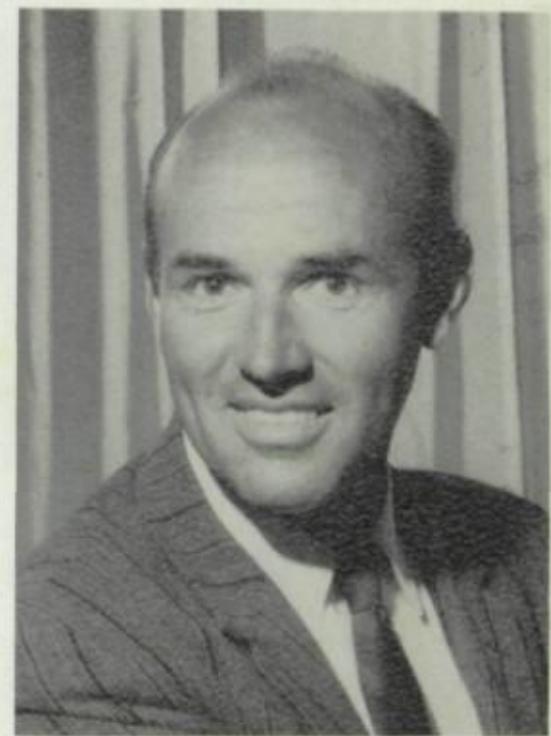

Our Headmaster has served well the School, the community and Florida education. He is presently vice-president of the Florida Council of Independent Schools, vice-president of the Palm Beach County Mental Health Association, chairman of the Schools Committee of the Princeton Alumni Association of Palm Beach County, member of the Palm Beach Rotary Club, and a member of the Town Playground Commission.

His children, two boys and two girls, are Hendrix, Kenneth, Cordelia, and Eliza.

GEORGIANA WATKINS

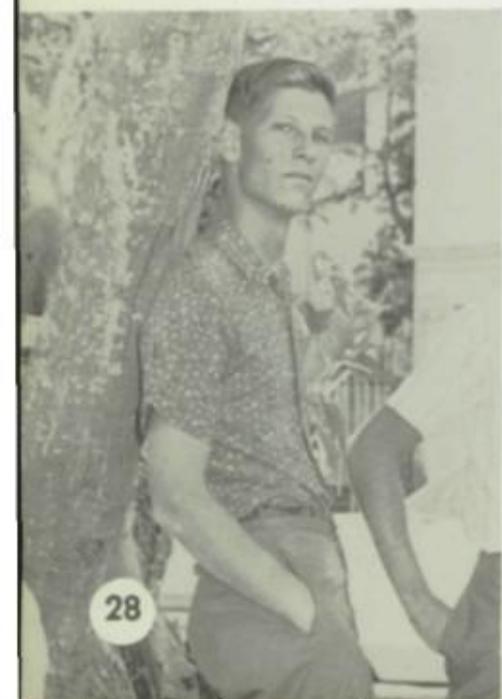

Georgiana Watkins was born in Jacksonville, Florida on March 1, 1943. She came to Palm Beach Private in 1955 as a seventh grader. As the senior who has been with us the longest, we pay tribute to her outstanding achievements in all phases of school life. She was Vice President of her class in the eighth grade, Secretary-Treasurer in the ninth grade, Vice President of her class and Secretary-Treasurer of the Student Council in the tenth grade, and the President of both the eleventh and twelfth grades. In her senior year she climaxed her activity in the Student Council by being elected President of that organization. GiGi has been an active member of the Pelican team ever since coming to Palm Beach and has been co-captain of her team since the tenth grade. She received her varsity letter in the eighth grade and won the Girl's Athletic Trophy for her junior and senior years. In the Leader's Club, an organization which was formed in 1959, GiGi has held the post of President since its inception. Among innumerable other activities, she has been a member of the sculpture class, the Glee Club, the French Club, the Atlantis staff, and the Yearbook staff. She has also won several trophies, including the Holder Cup for two consecutive years and the Prose and Poetry Cup. GiGi will be enrolled as a freshman at the Woman's College of the University of North Carolina next fall.

HARDIE BELL JOHNSON

Hardie Johnson was born in Montgomery, Alabama, but hails more enthusiastically from New Orleans. He moved to Palm Beach in the summer of 1959 and entered Palm Beach Private as a junior. Since then he has been active in many school activities. He joined the Dramatics Association in 1959, was elected Treasurer, and appeared in the Spring Play of 1960. He won an Amory L. Haskell Dramatics Award at the end of that year. Also in his junior year he became a varsity letterman and was a member of the Glee Club. In his senior year he joined the Yearbook staff and became Editor-in-Chief. He also served his class as Vice President. Hardie plans to attend college at the United States Air Force Academy at Colorado Springs next fall.

SUSAN ELIZABETH EVANS BROWN

She moved to Palm Beach in 1953 and entered Palm Beach Private in 1959 as a junior. She became a member of the Dramatics Association the same year and excelled in her singing in the Spring Play. She was also a member of the Leader's Club, in which she held the office of Secretary-Treasurer. At the close of her junior year she received an Amory L. Haskell Dramatics Award, her major athletics letter, and tied for the Prose and Poetry Cup with GiGi Watkins. In 1960 Susan joined the Yearbook staff and was elected to the position of co-editor. She became Vice President of the Leader's Club, Secretary-Treasurer of her class, and Vice President of the Student Council. She wears the yellow of a true Flamingo and was a member of all four teams during her senior year. Upon graduation she received the Trustees' Prize for English IV and the Essay Cup for her excellent thesis on the life of Charles Dickens. Susan has been accepted at Trinity College in Washington D.C.

He also portrayed the Prince in "The Cinderella Complex," our annual Spring Play. Juan is a loyal Flamingo and has participated in many games. His interests include reading and stamp collecting. His plans for college are uncertain, but he is pursuing them.

CLASS HISTORY AND PROPHECY

Ours is the good ship SENIOR, which we have built and cared for through the years. The keel was laid in 1955, when GiGi entered the school as a seventh grader. The framework of the ship was built in 1957, when Hank and Susie entered as Freshmen. The three cabins came in 1959, with the addition of Tag, Bullet, and Hardie. And at the beginning of the 1960-61 school year, the mast was added by Juan. Our voyages have taken us through many adventures, and we will be sorry to see our faithful ship dismantled this Summer. However, sailors have a saying: "When the Sea gets in your blood, you can never change." It is so with us. Our ship is too closely built to forget . . .

GiGi Watkins will become the top star in T.V. commercials.

Hardie Johnson will win the Driver's Championship at the age of 21.

Elliot Brown will have a private showing at the Guggenheim Museum.

Susan Brown, famous singing celebrity, will be the first woman to sail around the world alone.

Hank Keene will teach Chemistry 103 at F.S.U.

Juan Portella will write his memoirs — *My Wild, Wicked Ways*.

Joe Keesling will drive a wrecker.

Susie Krave will be the first American Member of the Bolshoi Ballet Company.

WILL

The Senior Class leaves Mr. Thayer to the Juniors.

Tag leaves Tom's beloved history book to Oby with notes, captions, and pictures.

GiGi leaves freedom for Charlie with sorrow.

Hank leaves his charming smile and winning personality to Padge.

Juan leaves Mrs. Crow to stroll down Worth Avenue unescorted.

Kraveo leaves the Clarke Avenue beach to anybody who can stand it.

Bullet leaves "HOW BAD" to Paula because if she didn't, Paula would.

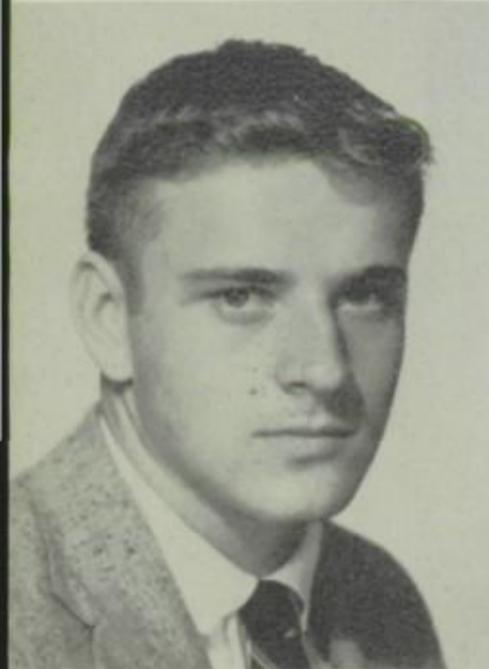

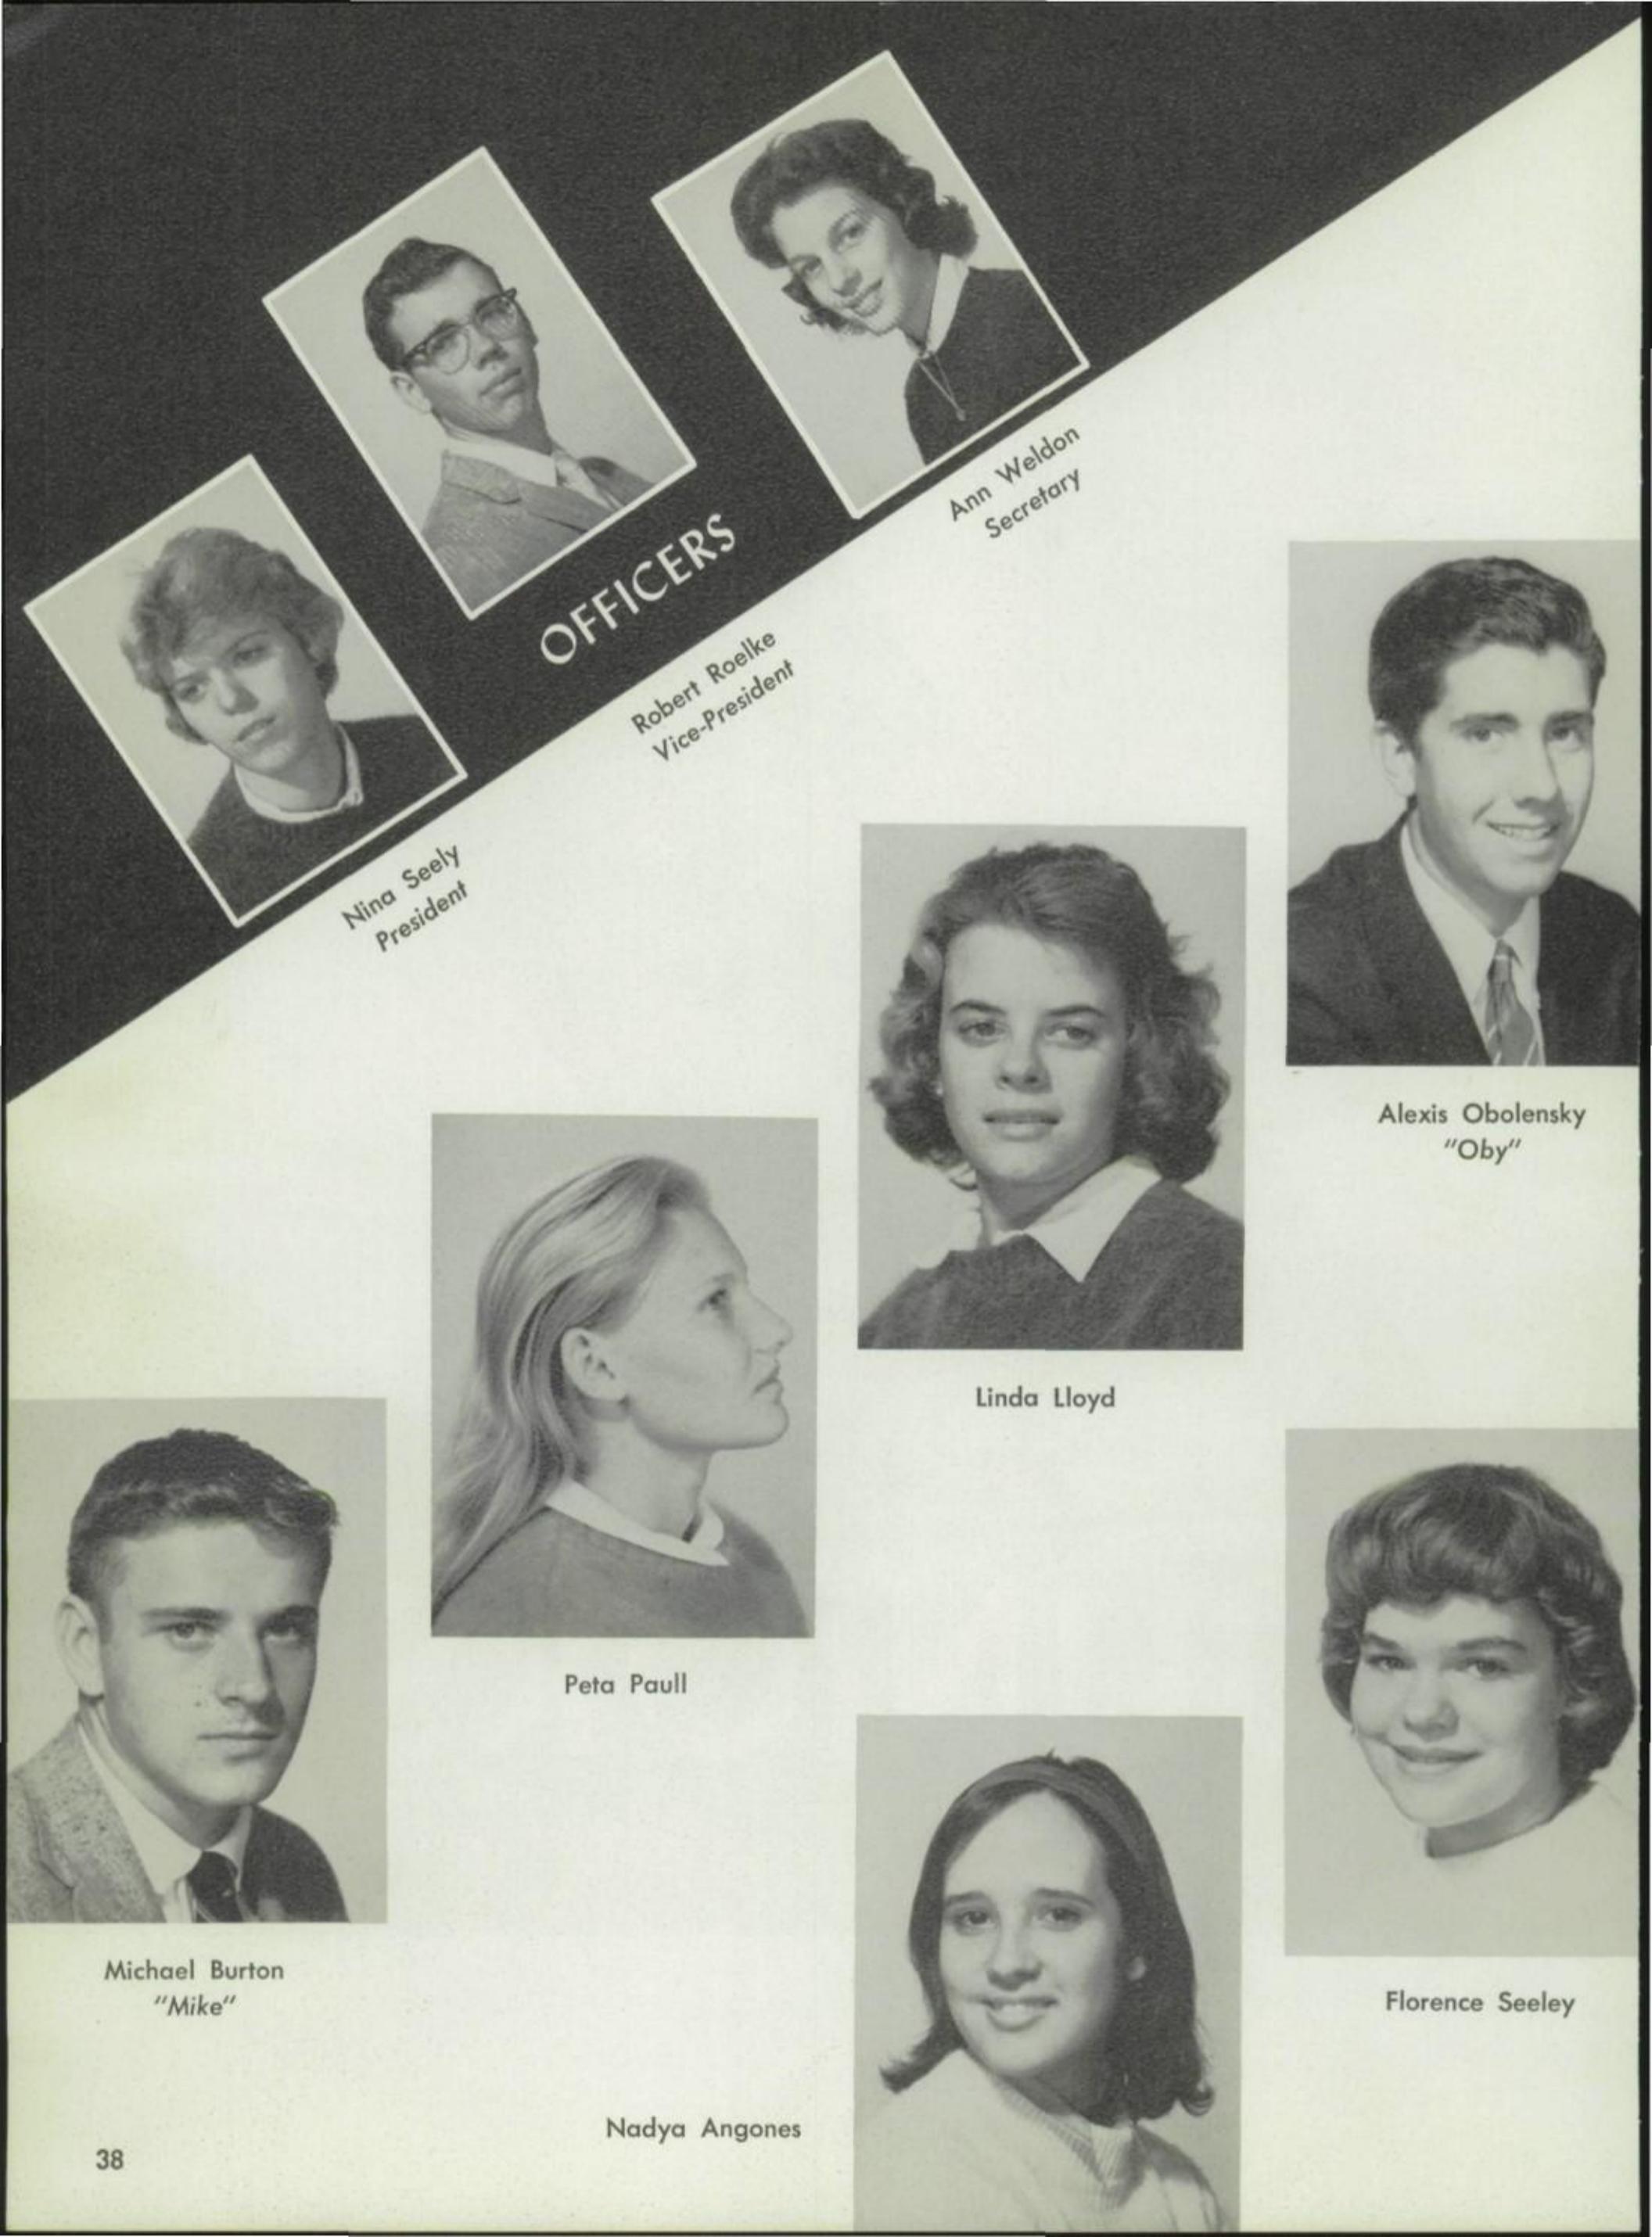

Joe leaves Linda.

Hardie leaves!

The Robert Fletcher Hunt, III, Memorial Cup has been presented to the School in Fletch Hunt's memory by Colonel and Mrs. Robert F. Hunt, Jr., with their wish that the cup be awarded to the student in the sixth grade who has attained the highest scholastic average, and that each subsequent year, it be awarded one grade higher. In this way the cup will accompany Fletch's class through the School, culminating in the presentation to a senior in May of 1967. After that date it will revert to the sixth grade and become a permanent sixth grade award.

Glee Club, one of the more popular activities at Palm Beach Private, is offered to students in grades seven to twelve. In this activity, students are taught the art of reading music, harmonizing, and choral singing. Mr. Sanders, the instructor, believes not only in teaching his students the basic differences in music, ranging from folk songs to modern ballads, and also the appreciation and enjoyment of music. The Glee Club has presented two enjoyable performances to the parents, teachers, and students of this school. One a choral arrangement of folk songs and old ballads presented on Parents' Night; and the other an excerpt from the musical play, 'South Pacific,' done with the Privateers in the Prose and Poetry assembly.

Bobby Bayless going for first!

Slow up Tommy Murphy, you made it.

Devoe Bassford rounding first as Johnny Wean looks on.

Charlie Hamilton catches one, but too late — he's safe.

Miss Mae Carden

Miss Mae Carden's Language Arts Program was introduced into the curriculum of the Lower and Middle Schools of the Palm Beach Private School two years ago, 1959-60, by the Headmaster. The method teaches children to read by using the phonetic system. Miss Carden began her work thirty years ago in her revolt against progressive education.

Miss Carden usually visits the School twice a year for consultation, and for an evaluation of the progress anticipated. We sincerely feel we have a friend interested in our thinking and reading.

Our best wishes to you, Miss Mae Carden, for the continued success of your crusade.
